

Be Outdoor Safe – Social Media

Thank you for your support of the Be Outdoor Safe message. Help spread the message by sharing the recommended social copy below. Pair these social copy suggestions with the social graphics and videos below to share the Be Outdoor Safe messages on your social channels.

General sample posts:

- We're all in this together. Help do your part to keep our safe places safe by recreating responsibly and preventing wildfires. #BeOutdoorSafe
- This summer, it's on all of us to keep our safe places safe. Whether you're enjoying public lands or relaxing in your backyard, keep safe recreation & wildfire prevention top of mind. Learn more at BeOutdoorSafe.org
- Now more than ever, we need to keep our safe places safe. Learn how you can do your part to recreate responsibly and prevent wildfires at BeOutdoorSafe.org

Recommend assets: Before Recreating, Know Before You Go

- Looking to get outside? Make sure to check for closures and fire restrictions before heading out. Learn more at BeOutdoorSafe.org
- Spending time outside, whether enjoying public lands or relaxing in backyards, has never felt more valuable. Frequently check local guidelines and fire restrictions before you head out. Learn more at BeOutdoorSafe.org

Recommend asset: Cross chains

- Next time you hit the road with your camper or trailer, remember to properly cross any tow chains to avoid sparking a wildfire. Help keep our safe places safe with this important tip, and learn more at BeOutdoorSafe.org. #BeOutdoorSafe

Recommend asset: Practice Social Distancing

- We're all in this together. Remember to practice social distancing, even when you're outside and on the trail. Learn more at BeOutdoorSafe.org.

Recommend asset: Tall Dry Grass

- Planning a visit to the great outdoors this weekend? Remember, don't park on tall, dry grass - even if the parking lot is full. The undercarriage of your vehicle is hot and can spark a wildfire. Learn how you can help keep our safe places safe by visiting BeOutdoorSafe.org.

Recommend asset: Keep Your Burn Pile Small

- If you're burning debris at home, check for burn bans before you get started. Also, remember to keep that pile small, not tall! Or better yet, bag your debris instead of burning it. Help keep our safe places safe. Learn more tips at BeOutdoorSafe.org.

Recommend asset: Properly Extinguish Your Fire

- Do you know the proper steps to extinguish an outdoor fire? Remember, we all have a role to play in preventing wildfires and keeping our safe places safe. Learn more tips at [BeOutdoorSafe.org](https://www.beoutdoorsafe.org).

Recommend asset: In Case of Crowds

- Spending time outdoors has never felt more important. When venturing out to public lands, plan for several alternate locations so you can move on if there are crowds. Learn more at [BeOutdoorSafe.org](https://www.beoutdoorsafe.org).
